PROSPECTUS

DELHI PUBLIC SCHOOL SOCIETY

The Delhi Public School (DPS) Society is a renowned educational organization in India that has made a significant impact on the country's education landscape. Founded in 1949, the DPS Society has grown to become one of the most prominent and respected educational institutions in India, with a significant presence around the world.

The DPS Society's brand is synonymous with quality education, innovation, and excellence. It has earned a reputation for producing outstanding academic results and nurturing well-rounded individuals. This brand has been built on a foundation of rigorous academic standards, a commitment to holistic development, and an unwavering dedication to creating future leaders.

The DPS Society's influence extends far beyond the borders of India. Over the years, it has expanded its network to various countries, establishing a global presence. DPS schools can now be found in countries such as the United Arab Emirates, Nepal, Singapore, and many more. This international expansion has allowed the DPS brand to contribute to the education of students from diverse backgrounds, promoting a global perspective and cultural exchange.

One of the most significant assets of the DPS Society is its extensive and accomplished alumni network. DPS alumni have excelled in various fields, including politics, business, entertainment, sports, and academia. These alumni have contributed to the society and have made their mark on the world stage. Their success is a testament to the strong educational foundation provided by DPS institutions and the ethical values instilled in them.

In conclusion, the DPS Society is a name that resonates with quality education, global reach, and a commitment to creating future leaders.

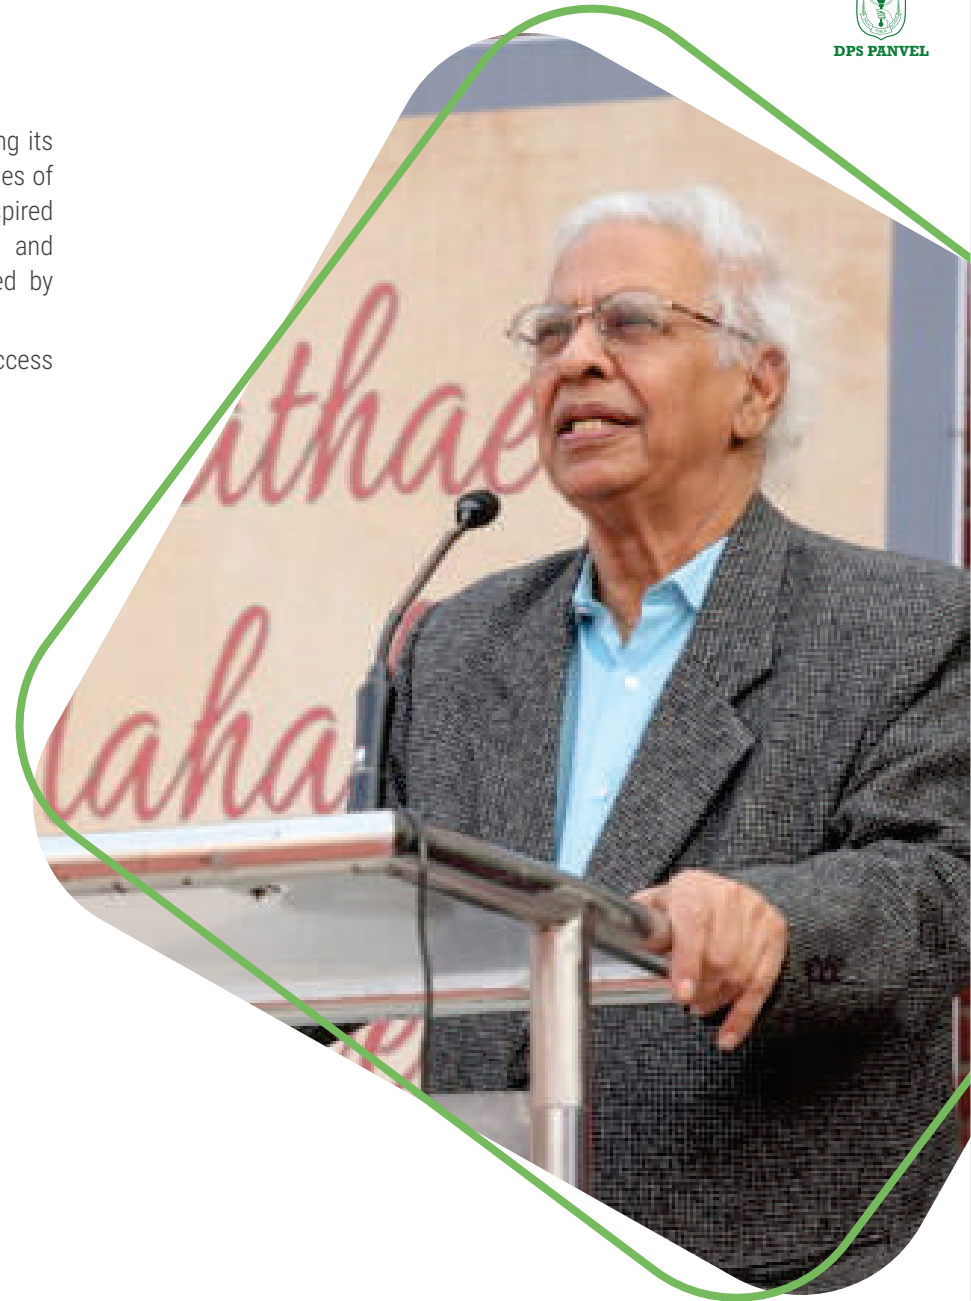

CHAIRMAN'S MESSAGE

I am happy to know that DPS Panvel is releasing its prospectus. I am sure it will highlight all amenities of the school in such a way that parents will be inspired and understand the quality of the education and extracurricular activities which will be provided by DPS Panvel.

My good wishes to DPS Panvel for a grand success in the years ahead.

MOTTO

“Service Before Self”

The Delhi Public School (DPS) Society, a revered educational institution in India, had its genesis in 1949 when visionary educator Shri. V.K. Shunglu established the first DPS, Mathura Road, in New Delhi. This foundational school embodied a commitment to academic excellence and a holistic approach to education. The society's footprint steadily expanded, nurturing ethical values and high academic standards. DPS schools adopted the Central Board of Secondary Education (CBSE) curriculum, aligning with national educational policies. As its alumni achieved distinction in diverse fields, the DPS Society's reputation soared. Recognizing the importance of global exposure, it extended its reach worldwide. Today, DPS Society remains a beacon of educational excellence and a custodian of moral and ethical values, shaping future leaders in India and beyond.

VICE CHAIRMAN'S MESSAGE

“I am confident that the prospectus of DPS Panvel will give complete information to those who go through it and will enable them to take an informed decision for admission of their ward in the school.”

V.K. Shunglu

Shri V. K. Shunglu
Honourable Vice Chairman
DPS Society

“Leadership is not about being in charge. It is about taking care of those in your charge.”

WELCOME TO DPS PANVEL

Pro-Vice Chairman's Message

The strength of the developed world today is in its excellence in academics and the resultant creativity. Pursuit and relentless search for excellence are our objectives, this actually means adherence to high standards set for DPS Schools: trained teachers for uniform skills; detailed planned syllabus and co-curricular activities with active participation by all students leading to their all-round development. With DPS PANVEL we have attempted to build a school that will provide an education that remains after classroom teaching is erased from our minds.

Good luck and God bless!

STRIVE FOR EXCELLENCE

Principal's Message

As Principal of Delhi Public School Panvel, I firmly believe that every child is uniquely gifted, and education should foster their individuality and nurture their strengths. Our mission is to unlock each child's potential, exploring their latent talents and abilities. Education is a harmonious blend of academic excellence, creativity, and character development. We strive to cultivate strong, reflective, and humble individuals with discerning minds, equipped to excel in all aspects of life. Effective education extends beyond academics; it encompasses involving students in their learning journey, fostering emotional intelligence and well-being, encouraging skill development and creativity and Instilling values and social responsibility. Collaboration with experienced educators, parents, and community partners is crucial for our school's all-round development. Parental involvement is vital for a child's holistic growth, and I invite parents to share their valuable insights. Together, we will maintain DPS Panvel's legacy, building strong relationships and empowering our students to become compassionate, thoughtful, and accomplished individuals. I am confident that our alumni, current students, and future generations will uphold the high values and principles ingrained at DPS Panvel, making a positive impact in the world.

Ms. Sakshi Gautam Mishra
Principal, DPS Panvel

ABOUT DPS PANVEL

“Our school will continue to create a safe, effective learning environment that enables each individual to reach his or her greatest potential through ample opportunities to excel.”

Our vision is to prepare and motivate our students for a rapidly changing world by instilling in them critical thinking skills, a global perspective, and a respect for core values of honesty, loyalty, perseverance, and compassion. Students will have success for today and be prepared for tomorrow. Our mission is to provide a safe haven where everyone is valued and respected. All staff members, in partnership with parents and families are fully committed to students’ college and career readiness. Students are empowered to meet current and future challenges to develop social awareness, civic responsibility, and personal growth.

Our Focus is Holistic Development: Holistic development of children with a focus on their physical, emotional, intellectual and social development and well-being is central to DPS Panvel education. This is sought to be achieved through diverse opportunities for students to go beyond the learning of core academic subjects. The breadth of sports and co-curricular activities that the School offers; the participation of students in inter and intra competitions, and so on, reflect our school's commitment to children's well rounded development.

We Empower our Teachers: At DPS Panvel you

will meet teachers who think creatively. They are passionate about teaching the students under their care. They are proactive, committed and dedicated. Learning at school is the outcome of strong partnership between the students and their teacher. The teachers update themselves by attending 50 hours of in house and CBSE training. The faculty chosen with utmost care brings depth of intellectual expertise and academic curiosity to the classroom. The faculty is easily accessible and available to guide and counsel the students as and when required.

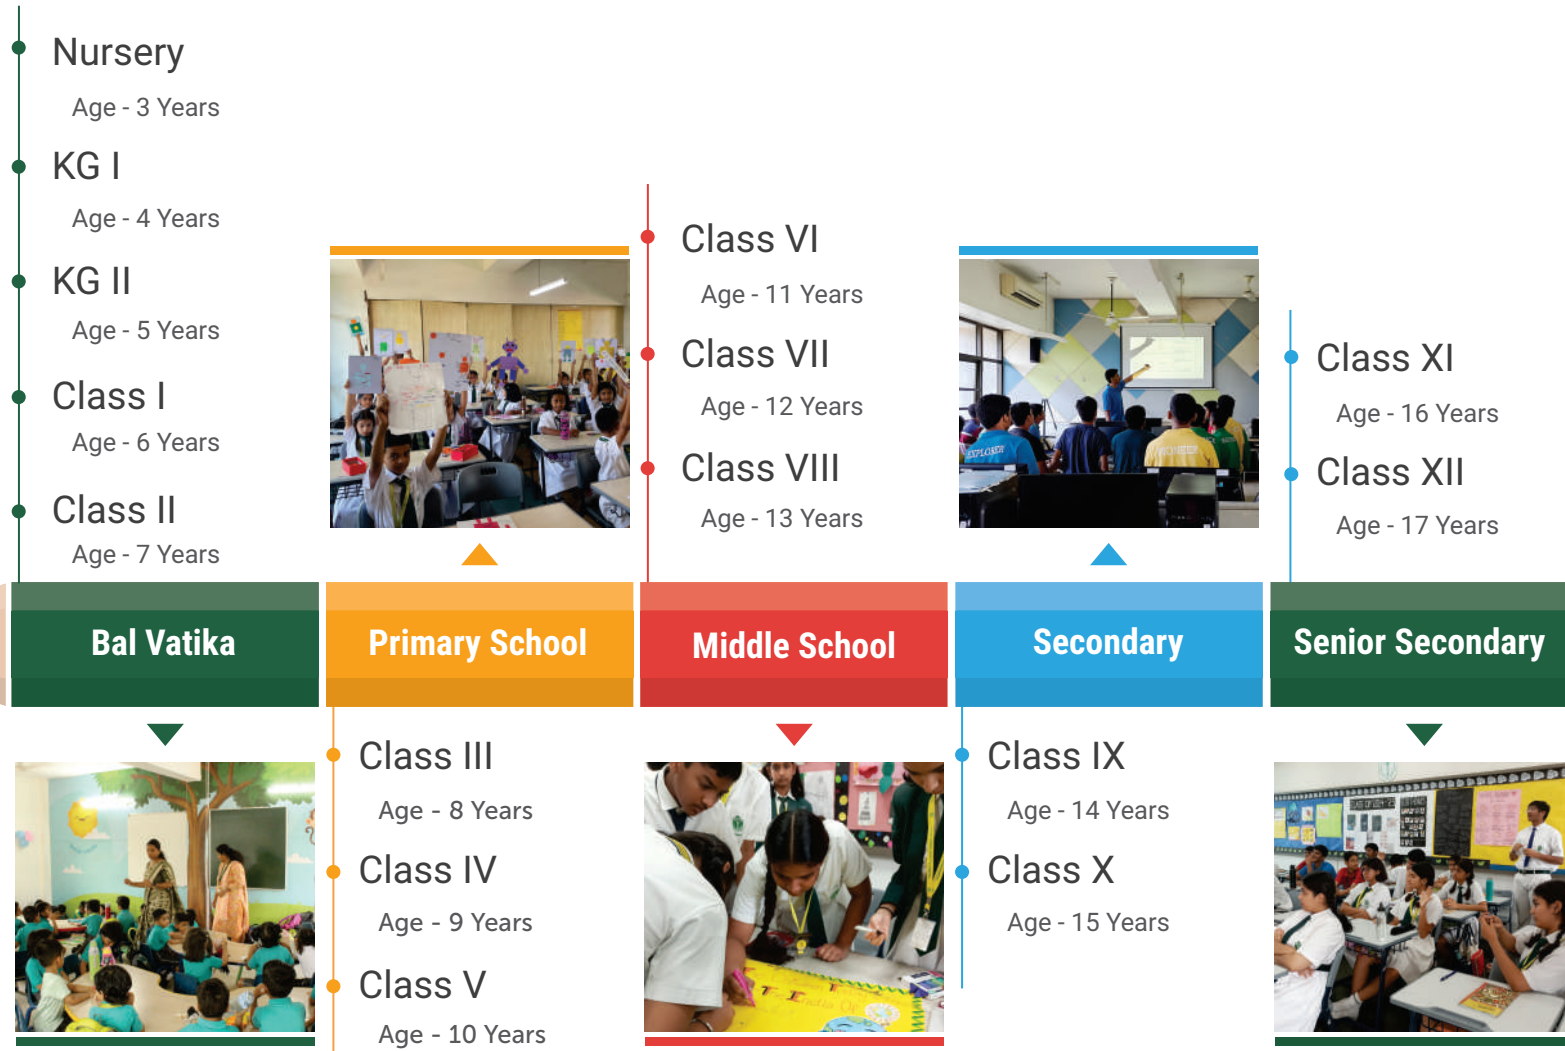

Our Curriculum is relevant: “Education is a journey of discovery and growth and we go for the best.”

Our curriculum is comprehensive and based on core subjects facilitating not just book knowledge but also the development of concepts, ideas and skills. At DPS Panvel we believe that learning is a dynamic process where is student learns differently to discover that they are competent and capable learners. We provide subjects like Artificial Intelligence, Informative Practices, Computer Science, Financial Literacy, Mass Media Studies and Coding, thus creating a supportive environment.

Collaborative Efforts: Excellence in education demands a collective effort. We foster collaboration among educational institutions, parents, and stakeholders to drive continuous improvement and elevate the education system.

TED Talk Event

Shape Your Future, Serve Your Nation: The esteemed speaker Major General Vikram Dev Dogra, AVSM (Ati Vishisht Seva Medal) He is the recipient of the Sword of Honour and Gold Medal from The Indian Military Academy. He gained combat experience in Jammu & Kashmir and part of United Nations peace keeping forces in Angola, Africa. He is a motivational and leadership speaker and has done 7 TED Talks and spoken at numerous schools, colleges and corporate houses. The General is a committed sportsman. He cycled from Leh to Chandigarh over 5 of the highest mountain passes ranging from 13400 to 17600 ft. In 2018 he did Ironman Austria at the age of 58 to become the first Serving Indian Army Officer and the only general in the world to do so. In July 2019 he

once again took on the Ironman competition at Germany and bettered his own time by 40 mins. On 02 October 2022 at the age of 62 he did his third ironman event at Barcelona Spain.

Insights and Inspiration from Major General Vikram Dev Dogra Major General Vikram Dev Dogra's TED Talk offered a profound look into the realities of a career in the armed forces. His personal experiences, combined with his professional insights, provided a comprehensive guide for aspiring military personnel. Drawing from his personal experiences, including becoming the first serving Indian Army officer to complete the grueling Ironman Triathlon, General Dogra illustrated how perseverance can push the boundaries of human potential. He encouraged individuals to adopt a mindset of resilience, where setbacks are viewed as opportunities for growth and improvement.

Navigate Your Future with Confidence - Exploring Endless Possibilities Career Counseling session -

- For students of classes VIII to XII, with a plethora of career options available, a session was conducted by an eminent educationist and career counselor Ms. Deepali Mark, a recognized figure in the education sector. By offering this career counseling session, DPSP demonstrates its commitment in nurturing not just academic excellence but also holistic development by equipping students with the knowledge and resources needed to make well-informed career choices. Such initiatives empower students to explore their interests, strengths, and aspirations, paving the way for a fulfilling and successful future.
- Ms. Namrata from Flame University, Pune conducted a fruitful session with the Students from Grade X to XII at DPS Panvel. The session offered a thorough understanding of liberal education, motivated students about the prospect of pursuing their passions and talents alongside academic degrees. Through an engaging PowerPoint presentation, Ms. Namrata provided a clear and realistic overview, leaving students appreciative of the school's efforts to inform them about various opportunities and possibilities. This newfound knowledge will empower students to make informed decisions about their desired stream or field of interest.

jarma

Our health screening and awareness programme consists of health check up twice a year by a team of Doctors and Para medical staff of JARMA WELLNESS, an organization dealing in Preventive Healthcare and Education Services. Students are checked for clear vision, dental health, healthy cardiovascular parameter, good hygiene habits and adequate nutrition. **The feedback is shared with school.**

The Open Door Assessment is introduced for the students to enhance their scientific and mathematical skills. The assessment mainly focuses on concept building and competency based questioning.

Our school is selected as a Pilot school for implementation of Hybrid Learning – “Project Carte Blanche” by the CBSE in Collaboration with Tech Avant-Garde (TAG) and Microsoft. CBSE has selected only 800+ schools across India and we are proud to be one of them. In this Pilot Project, the following programs are being implemented in partnership with CBSE, Microsoft & Tech Avant-Garde: Hybrid Learning, Digital Literacy Program, Skill Hub Program, Financial Digital Literacy Program, Virtual Field Trips and Adolescent Health Program

THE HINDU

The Hindu has been playing a vital role in carving the students to excel in various stages of life. The students of grade 6 to 10 resort to their daily edition of The Hindu for upgrading their cognition and to accomplish their subject wise projects impeccably.

Gray Quest provides educational institutions with a range of payment solutions to enable them to collect fees seamlessly and offer multiple convenient payment options to their parents. We personally believe that school fees should never come in between a child's growth and education. Essentially, GQ offers 3 payment options - EMI, Auto-Debit Payments and Online Payment Gateway Solutions to institutions. Our EMI facility allows parents/students to convert their annual or term fee payment into easy, convenient monthly installments. For most of our educational institution partnerships, this facility comes with zero extra costs(interest or any other hidden charges) for parents/students. Parents or eligible students, have to complete regular KYC and accept our EMI T&C as part of the sign up process for the EMI facility. This EMI facility is provided in partnership with various Banks & NBFCs.

DPS Panvel has introduced NIE -The Times of India newspaper for the students to encourage them to read and keep them updated with the world's current events.

Myclassboard, teachers are being constantly updated with their ward's school activities building a constant parent - teacher association. In Myclassboard, teachers can update student marks, class attendance, create the activities and upload activity related photos and more from the MCB SMART SCHOOL App with data security. The MCB SMART SCHOOL mobile app is available for Android and Apple devices to share the classroom information.

Myclassboard facilitates the teachers with MCB SMART SCHOOL mobile app. It helps all the teachers and parents to keep up with what's happening in the school. The child's growth, development and activities are constantly updated to parents which is integrated to Parent App.
